

Dear Sir,  
I have just received your letter of the 21st  
and am glad to hear that you are  
much obliged to me for the  
articles in sending them and that  
you have given notice of my  
refinement with Dr. Mackay.  
I have read of the articles or rather  
the first one before I saw it,  
they interested a good many  
whom I had not known and from  
one great I made an abstract  
of one of my own articles.  
I shall be obliged to  
to have you send me one  
in your place to do so. I will  
let me know when or how  
it will be an article.
